ATTEND TO YOUR COLDS -A case of ave pears' tanding cured by DR. KRYSER'S PROTORAL SYRUP. Perresenou, Jan. 11, 1860. DR. KKYSER:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a firty cont bottle, which relieved her very much i I then called and got a dollar bottle, which every much i I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one does. I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Dr. Kryser:—Although not an advecate of Patent Medicines, in general, it affords me pleasure indescriba bie to recommend your Peetonal Syrup. As a medicine it is well worthy the attention of any person also may in any manner he afflicted with coughs, colds and houseness of any hind, and for the peculiar qualifications for removing all that diagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and hearseness. At times my throat would become to closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases to prevalent.

Yours, most respectfully,

EDWARD J. JONES,

I have used Dr. Keyser's Cough Syrup for a had cough of several years standing, and can cheerfully say it is the best medicine for the same that I have ever taken. J. W. PRICE.

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—DR. KRYSER.—Bear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough. Syrup sconer. I take great pleasure in saying that it is all you say it is. It knowled the noise out of my cough and the worst one I was ever afflicted with I have uot used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such as attack for say consideration, or at any cost. I am confident I can breathe more freely than I eyer did. I shall always sciencewinger a dost of gratitude for inventing reexcellent a remedy. You are at filterty to use my name in this regard, as you think proper. E. F. PITTERCROII, April 24, 1857, ter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used halt a bottle she was relieved. The second bottle cured her entirely of her cough.

A GREAT CURE BY DR, KEYSER'S PROTORA SYRUP.—I live in Peebles township, Allegheny county.

I had a coughing and spitting, which commenced acout
the dis of February issa, and continued eight months. I
employed the best physicians in the country, and my
cough continued unabated until early in October. At
that time I was advised to try your PECTORAL COUGH
SYRUP which I did and after I had taken any was entirely free from the coughing and splitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

PATTOS TF., April 14, 1857.

A WONDERFUL CURE.—Some time ago, in old neighbor of mine was rapy ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Fectural Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHANN GINNIS.

DR. KEYZER'S PECTORAL SYRUP IN BLAIRS-VILLE.—Please send me another supply of your valu-able "Pectoral Byrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Byrup." We have sold sixteen bottles has week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Bialraville, Pa., tell us they would not be without it in their familles. In fact, all who use it ence want it ain. Yours, respectfully, J. S. WATTERSON & SONS.

ANOTHER NEW CERTIFICATE-DR. KEYSER'S ANOTHER NEW CERTIFICATE—DR. KEYSER'S PROTORAL SYRUP—I had been troubled with acough and coid for saveral weeks—so had was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Fectoral Syrup, which cured me calledy. "STOP THAT COUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that den't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from setual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." In a most stubborn case, with onice success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubdable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and laboriousty for one whole week, in hopes of tiring it out, but it was no go. In fact it seemed rather to have improved by practica, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Reyser's, 140 Wood St.—procureds fifty cent bottle of the "Pectoral;" took it according to directions, and is forty-leight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with as formidable an adversary as Keyser's famous "Cough Pectoral."—Drossiscille Chipper, Dec. 14, 1859.

The great celebrity and increasing demand for this un equaled preparation, convinces the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation in use. It cleanses the head and scalp from dandruff and other cutaneous diseases, causing the hair to grow luxuriantly giving it a rich, soft, glossy and flexible appearance, an also, where the hair is loosening and thinning, it will giv strength and vigor to the roots and reaters the growth to hose parts which have become hald, causing it to yield resh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this liavigorator, when all other preparations have failed. L. It will effectually prevent the hair from turning antil the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to it to its original hue, giving it a dark, glossy appearance.
